NATIONAL CENTER FOR COMPETENCY TESTING

PRINTED CE COURSES & RECERTIFICATION ORDER FORM

1. Use this form to select and order printed CE courses and to submit the recertification fee payment. CE courses are listed in alphabetical order and the last two digits of the course number represent the year that course was published, e.g. the course number 122022 was published in 2022.
2. The annual recertification requirements are:
 - Payment of a \$77.00 recertification fee and completion of 14 contact/clock hours of CE for one certification
 - Payment of a \$104.50 recertification fee and completion of 19 contact/clock hours of CE for two or more certifications

PLEASE READ THIS IMPORTANT INFORMATION!

3. There is an *additional charge of \$3.00 per contact/clock hour* of the course in order to purchase the course in print. For example, if 14 CH are ordered, the total additional cost for printed CE courses will be \$42.00. This cost plus a *shipping and handling fee* must be included with your recertification fee payment or your order will not be shipped.
4. Use the following guidelines to select CE courses. **Note:** NCCT offers certification for many entry-level professions. Not all CE courses are applicable to everyone.
 - Identify course content related to the critical job competencies identified in the detailed test plan for your certification exam.
 - Identify courses based on your daily job tasks.
 - Select courses that are of interest to you or that will enhance your overall knowledge.
 - ASCLS P.A.C.E.® determines the contact hours (CH) value for courses that are P.A.C.E.® approved.
 - Select CE courses with course numbers you have not already successfully completed. You can complete CE courses with the same titles that have different course numbers, as this indicates the courses and tests have been updated. To view your previously completed NCCT CE courses, you can view/print your CE transcript directly from your personalized Recertification/CE Dashboard at www.ncctinc.com/ce. You can also call 800-875-4404 or 913-344-7250 to speak with a Customer Service representative or email conted@ncctinc.com to have your transcript mailed or emailed to you.
5. To order printed CE courses, place a ✓ in the box to the left of the course title on pages 2, 3, 4, and 5 of this form. **Add the costs of each printed course together and place the total below. Add this amount to the Total Cost for Individual Printed Courses on the Recertification Order Form on page 6.**
