

► WHY NCCT?

THE PERSONAL EXPERIENCE

NCCT provides extraordinary customer service to meet your certification needs. Each testing site is assigned a personal testing representative who will ensure your needs are met and questions are answered. With extended hours to accommodate all time zones, we are available to assist in any way we can.

THE FLEXIBILITY

NCCT recognizes adults can learn in many ways, which is one of the reasons we offer multiple paths of qualification for certification testing. Eligibility paths may include education, experience, or both!

When Certification Matters,
Choose NCCT

▶ ABOUT NCCT

NCCT is an independent certification organization that has tested more than 500,000+ candidates throughout the United States since 1989. Our certifications, predominately in healthcare professions, include:

- **Medical Assistant**
- **Medical Office Assistant**
- **ECG Technician**
- **Insurance and Coding Specialist**
- **Patient Care Technician**
- **Phlebotomy Technician**
- **Tech in Surgery – Certified (NCCT)**
- **Certified Postsecondary Instructor®**

NCCT offers both academic and experiential routes of qualification for certification exams. Log on to www.ncctinc.com for complete information regarding each route to see how you qualify.

To earn an NCCT credential, applicants must meet all eligibility requirements and pass an examination based upon knowledge, skills, and abilities required at job entry.

Medical Assistant • Phlebotomy Technician
Tech In Surgery-Certified (NCCT) • ECG Technician
Medical Office Assistant • Patient Care Technician
Insurance & Coding Specialist

▶ OUR REVIEW SYSTEMS
